Icom Sponsors MONGO Offshore Fishing Tournament

KIRKLAND, Wash. (December 2021) – Icom America is proud to announce a new partnership with MONGO Offshore Challenge as the exclusive Marine Radio Gold-Level Sponsor for the 2022 tournament season. These tournaments will be every weekday *and* weekend between May 1st and September 30th, 2022. We very much look forward to being the communications partner of choice for Team MONGO’s incredible fishing tournament, further solidifying Icom’s stance as the chosen radio of the fishing industry.

The MONGO Offshore Challenge is a five-month quest allowing competitors to fish when they want and weigh in at any Gulf Coast MONGO weigh station, all in hopes of catching the largest blue marlin, swordfish, tuna, wahoo, or Mahi of the season. Year after year, this competition captures the excitement and the camaraderie of the sportfishing community in the Gulf Coast—now expanded to include the east coast. Visit their [website](#) for social media coverage and up-to-date information on the 2022 tournament.

Icom is known worldwide for manufacturing the most impressive marine radios – handheld or fixed mount. And in a world where technology is ever-evolving, Icom continues to stand the test of time with leading-edge forward-thinking. Because of this, boaters the world over choose Icom for their legendary durability, quality, dependability, and ease of use.

BRING IT ON.
